(860) 429-3332 fax: (860) 429-6863

Dear Member:

On Wednesday, October 28, 2009 the New England Chapter will host our Fall mechanics training seminar at the Southern Auto Auction in East Windsor, CT. This seminar will provide valuable information on the complete auction system from the vehicle repair/reconditioning/body shop to the final sale. The speakers will include Dennis Finkel, Fleet Lease Sales Manager for SAA and representatives from Ford and GM on future fleet and product initiatives. As in our past Mechanic's workshops, your staff will receive training that will assist you in improving your fleet operations and equipment repair.

We hope you can take this opportunity for your staff to see the value of using an auction for all types of equipment resale. It may also be an opportunity for decision makers to attend to see what is available through the auction process. Many of us are now using regional auctions as opposed to traditional trade-ins. The agenda for the program is provided below. Registration will be limited to only 100 persons on a first come, first served basis, so please send in your registration early.

=====

**Mechanics Training Seminar**

8:00 am Registration, Coffee & Pastries

8:30 am – 2:00 pm Program and Lunch

*(The program will start right at 8:30, so please be on time.)*

=====

**Registration Fee:** \$60.00 per person, includes registration, coffee & donuts and lunch (and a \$5 contribution to the APWA 2010 Congress fund which will be hosted by the Chapter in Boston). Registration deadline is October 23rd, but may fill up before then. Please, no more than three persons per agency. Please register using the enclosed registration form.

*Directions to the Southern Auto Auction (161 S. Main St., E. Windsor, CT 06088):*

Route 91 to exit 44. Right at the bottom of ramp and approximately 2 miles on the left. Go to the dealer parking lot and park. Enter the auction facility through the dealer entrance and follow the APWA signs.
