We Put Safety First

Snow & Ice Operations for New Hires

**Thursday, November 5, 2009
8:00 a.m. – 3:00 p.m.**

This workshop is designed especially for **NEW** municipal and DOT snowplow operators.

Topics include:

- Proper spreading of salt and materials
- Equipment maintenance
- Plowing procedures
- Salt storage
- Salt environmental concerns
- Defensive driving

Our new truck driver simulator will also be on-site to be used by participants to give them the opportunity to drive a “snowplow” during strikingly realistic situations.

**RIDOT Maintenance Headquarters
360 Lincoln Avenue
Warwick, RI**

We Put Safety First

Instructor: William Eyberse of Signal 54 Training

Billy has over 20 years experience with the Connecticut Department of Transportation. He started as a maintainer (plowing snow), became an electrician, spent seven years as a trainer, and is now a planner. He has taught Snow & Ice, Flagger, Defensive Driving, Mower Safety, and OSHA 10-hour workshops throughout New England for both public and private entities.

No charge for municipal employees.

Refreshments and lunch will be served.

Enrollment is limited to 20 people. Sign up now!
